Left Hand Brewing Company Releases New Passion Fruit Sour Ale

Breezy Does It will put you in a vacation state of mind

LONGMONT, Colo. May 11, 2023 – [Left Hand Brewing Company](#), one of the original pioneers in craft brewing, is delighted to unveil their newest year-round brew, [Breezy Does It](#), a passion fruit sour ale.

Lively fruit notes, subtle malt and pleasantly floral Ella hops make Breezy Does It the ultimate companion for warm weather activities, patio parties or a staycation. Light and refreshing with a 4.8% ABV, Breezy Does It is made for repeat enjoyment.

“We wanted to create a beer that would evoke a feeling of being whisked away on an imaginary vacation, without a care in the world,” said Jill Preston, Director of Marketing at Left Hand Brewing. “With each sip, the tangy and refreshing flavors of passion fruit awaken your senses, reminiscent of exotic destinations and sun-soaked beaches. It’s an immersive escape from the everyday hustle and bustle.”

Breezy Does It made its tap debut in April at Left Hand’s Longmont Tasting Room and [Left Hand RiNo](#) in Denver, quickly becoming a fan favorite. Breezy Does It is now available on draft and in 6-packs in Colorado and several other states in the Left Hand footprint. Find the beer today at www.lefthandbrewing.com/beer-finder.
